FREE 4-Step story formula

A simple way to tell your story clearly.

1. **Big picture – What was the situation?**
2. **Problem – What was difficult?**
3. **Solution – What did you do?**
4. **Result – What happened in the end?**

Example:

1. Big picture: I came to Canada.
2. Problem: I did not understand the language.
3. Solution: I started learning step by step.
4. Result: I am more confident now.

Use this formula to practise speaking and writing every day.

1. Big Picture – What was the situation?

2. Problem – What was difficult?

3. Solution – What did you do?

4. Result – What happened in the end?
